

The site plan shows the University of Michigan Medical Center. The existing building is a large, irregular structure on the right side of the plan. The new building is a smaller, rectangular structure located to the left of the existing building, shaded in gray. A parking lot is located between the two buildings. The plan also shows the surrounding streets: State St. to the north, Michigan Ave. to the east, and State St. to the south. A north arrow is located in the top left corner.
